

Adorata Workshop

Thursday, June 16th, Room 229, 6:00 to 9:00 pm

Debra Sholly is an Adorata practitioner certified to lead both Study Courses in the sixteen Divine Virtues and private sessions of the Descent and Enlovement Process. As an Adorata practitioner Debra's strength is her intuitive ability to connect deeply with her clients. After working for many years in other systems, Debra found that only Adorata provided her with a practical and grounded embodied spirituality, a deep connection with her divine core, a balance of her masculine and feminine energies, and a profound and mystical connection with Mother Mary. After working with Debra in the Descent and Enlovement Process, her clients have reported experiencing deeper, more meaningful, and loving relationships with family and friends, and greater self-confidence and harmony in their lives.

Debra has been on her spiritual path since 1990 and is a certified Reiki Master Teacher, Light Language Teacher, Divine Intervention Practitioner and Astrologer. She lives in Baton Rouge, Louisiana and travels internationally sharing the Adorata Teachings through workshops and individual sessions.
