Are you ready for a New Thought?

Looking for like minded people?
Looking for an alternative to fear and guilt?

Try Unity...

- *Inclusive, Open-Minded, Metaphysical*
- *A positive path for spiritual living*
- *Practical spiritual teaching that inspire meaningful and abundant living*

In Unity, we believe in One Power and One Presence–God the Good, Omnipotence.

We see God as Love, Wisdom, and Divine Mind.
We honor all spiritual practices and the diversity of paths leading to enlightenment. We believe that we are born blessed and through meditation, affirmation and prayer, we remember this truth. Through the law of mind action, we activate our good creating harmony and unity in our lives and in our world.

Welcome to your divine appointment.

May you feel at home here as you explore principles and practices that lead to Spirit-centered transformational living. In Unity, we make no claim that this is the only path to follow, instead we trust the living Spirit of Wisdom that guides each person to their right and perfect spiritual path. Author Paul Ferrini writes, "Frankly, the only church you need to attend is the one that lies in your own heart." When we bring this heart church together in commUnity ... something amazing happens and we co-create a living sanctuary and a field of consciousness that supports our spiritual evolution on the path to God consciousness. As we find ourselves returning each week, it becomes our spiritual practice to come together.

"I've come to believe that each of us has a personal calling that's as unique as a fingerprint – and that the best way to succeed is to discover what you love and then find a way to offer it to others in the form of service, working hard, and also allowing the energy of the universe to lead you."
- OPRAH WINFREY

Membership

Rather than a system of worship, Unity is a way of life.

One of the most exciting aspects of being part of Unity Village Chapel is the transformation that occurs as you grow in your understanding of Unity principles and apply that understanding to your life. Unity membership is unique. It is not required. All are welcome. It does not preclude membership elsewhere. Within the calling to become a member of Unity Village Chapel comes the opportunity for sacred service and spiritual commitment.

The objective of Unity affiliation is to activate more effective, Spirit-centered living. The only true requirement is the desire to know the God of your understanding and seek harmony with the laws of being. Each member is wholly free and encouraged to live according to the inspiration of the Spirit of Truth within. We honor Jesus as a master teacher as well as spiritual teachers throughout the ages who have taught and demonstrated Truth principles and ancient wisdom.

Each Unity center is an independent organization self-governed and affiliated with Unity Headquarters and Unity Worldwide Ministries. Unity Village Chapel is sourced by Spirit and wholly funded and supported by the generosity of members, congregants and friends. We "create" this spiritual commUnity each time we give and serve.

For more information about membership, call the Chapel Office.
