Social Celebration

# Prosperity Pledge

2

## FOR THE NEXT 10 WEEKS, I COMMIT TO...

### TITHE 10% OF MY INCOME

 To Unity Village Chapel as the source of my spirital nourishment.

### TITHE 10% OF MY TIME

-  By conscientiously reserving time for spiritual reading, affirmations & daily prayer.
-  By daily contemplation and meditation on the subject of prosperity principles.
-  By regularly attending Sunday Services, honoring the UVC CommUnity.
-  By reguarly attending these gatherings each week, honoring my SpiritGroup.

### TITHE 10% OF MY TALENT

 To the world by serving others through Random Acts of Kindness and Sacred Service to individuals, organizations ors causes that have personal meaning to me.

I will participate fully in each weekly gathering, knowing that my enthusiastic participation is a gift to myself as well as to others who have come here to share their spiritual journey with me. I have a willingness to elevate my attitude about prosperity. I realize the ultimate purpose of this SpiritGroup is to assist me in expanding my consciousness regarding prosperity. I also realize that a changed consciousness will produce a more abundant life so I release any limitations, known or unknown.

I am ready to be changed at depth. I am ready to step into the flow. I am ready to experience a deeper spiritual practice, expanded relationships, financial security and greater self-awareness and self-esteem. I am ready to experience a new way of LIVING and CREATING my good!

*"No two minds ever come together without thereby creating a third, invisible intangible force, which may be likened to a third mind." ~ Napoleon Hill*

-  The average group works best with two to eight members, no more than 12. Regular meetings can be weekly, bi-weekly or monthly.
-  Start the meetings by reading a MasterMind prayer.  
*Every member of the group should read aloud all 7 Principles and then the Covenant.*
-  Each member is supported visually, verbally and emotionally by the others.  
*For example: someone wants a new home. Other members might say, "I see you driving up to your glorious new home. I see you sunning yourself at poolside with your loved ones, friends and me." The principle is that we can believe for others what they cannot fully believe for themselves. These are not idle words. You must create and project to the MasterMind a clear vision that the words represent.*
-  Your MasterMind runs like a "Swiss watch." Ensure the process is timely and flows.  
*Each group should elect a MasterMind leader to keep everything flowing freely. The leadership position can rotate from one member to another. The group leader should be prepared to time each person's participation in the circle to ensure it is kept on track.*
-  Starting with whichever number has been designated to begin first, each person has 1-5 minutes (group determines length of time) in which to state their wants and needs and receive responses.  
*It might sound like, "This is what I want and this is what I need." Or, "This is a challenge I'm facing and I would appreciate the help of my MasterMind group." It's important that everyone understands that the designated amount of time allotted is both to state their want/need and to receive the group's response. Therefore, if 4 minutes has been designated to each person and someone is not prepared for the group and it takes them 3 1/2 minutes to state what they need, it allows the group only a 1/2 minute to respond. Each MasterMind member needs to be prepared for the gathering to ensure maximum benefit. At the end of the 4 minutes, it would be the team leader's responsibility to say, "Time is up." The discussion comes to a halt. The second person would be asked to begin.*

*God is the Master Mind, an Infinite Presence  
God is All, both visible and invisible  
One Presence, One Mind, One Power  
This One that is All is Perfect Life, Perfect Love and Perfect Substance  
I am an individualized expression of God  
I am one with the great Allness*

- 🌐 **I RELEASE** myself to the MasterMind because I am strong & I have others to help me.
- 🌐 **I BELIEVE** the combined intelligence of the MasterMind creates a wisdom far beyond my own.
- 🌐 **I UNDERSTAND** that I will more easily create positive results in my life when I am open to looking at myself, problems and opportunities from another's point of view.
- 🌐 **I DECIDE** to release my desire totally in trust to the MasterMind and I am open to accepting new possibilities.
- 🌐 **I FORGIVE** myself for mistakes I have made. I also forgive others who have hurt me in the past so I can move into the future with a clean slate.
- 🌐 **I ASK** the MasterMind to hear what I really want; my goals, my dreams and my desires, and I hear my Mastermind partners supporting me in this fulfillment.
- 🌐 **I ACCEPT,** know and relax, believing that the working power of the MasterMind will respond to my every need. I am grateful knowing this is so.

I now have a covenant in which it is agreed, that the MasterMind shall supply me with an abundance of all things necessary to live a prosperous and fullfilling life. I dedicate myself to be of maximum service to God and my fellow human beings, to live in a manner that sets the highest example for others and to remain an open channel of the Divine. I go forth with a spirit of enthusiasm, excitement, and expectancy.
