Minister's Report

- Rev Erin expressed gratitude for our thriving status, noting that we've maintained our numbers of Sunday participation with the combined virtual and in-person attendees.
- Many thanks to the staff, volunteers, virtual leaders, Board of Trustees, and all those stepping up to serve and share.
- YFM – We have approximately 15 of 20 volunteers willing to serve the program and a paid position may be possible if our donations increase to support it.
- Fellowship following the Sunday Services – When we move to the Atrium Chapel we are planning to gather with simple refreshments in the foyer. This is very exciting for UVC because for many years, fellowship had to be held in a separate building.
- Tithing/giving – THANK YOU, THANK YOU.
- UVC 100 YEAR HOMECOMING – Save the Date; May 19-21, 2023.

Closing Prayer – Rev Erin McCabe
