

LEE'S SUMMIT

Lee's Summit is the kind of place that has to be seen to be believed. We're most proud to be a place where success is measured by the amount of time we get to spend with our family and friends rather than possessions we accumulate.

Inspired by our rich past echoing timeless cultural traditions, Lee's Summit has been welcoming residents and visitors alike since 1865. It's the type of community allowing you to glimpse back in time and surround yourself with things that are real and true, things with character, providing a genuine appreciation for all those who have come before us.

Lee's Summit is a city where family and tradition is the backbone of the community. A community where folks can wrap their arms around the pace and direction of their lives. We think it may have something to do with a sense of spirit you find in the hearts of real people, with a high regard for their neighbors, doing small yet responsible acts to help make everyday life better for everyone. Come see for yourself and make memories that'll last a lifetime.

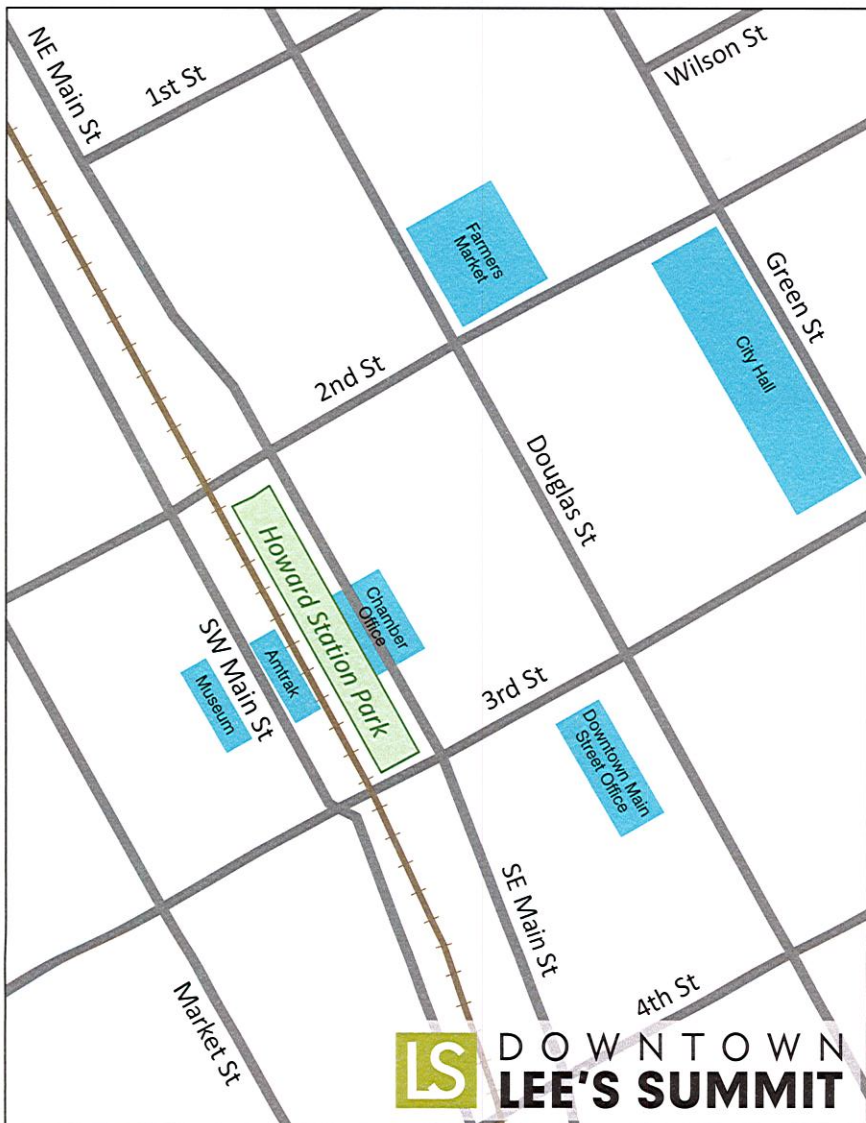

Yours Truly, **LS LEE'S SUMMIT**
MISSOURI

SHOPPING

Summit Fair is an open-air lifestyle center anchored by Macy's and JCPenney, but also features home furnishings stores, men's and women's fashion, casual eateries, sit-down restaurants and specialty retailers.

Unlike the traditional power center, SummitWoods Crossing mixes traditional "big box" tenants such as Target, Best Buy and TJMaxx with unique retail, entertainment and dining venues all in a spacious, village-like atmosphere.

Downtown Lee's Summit is where you'll find one-of-a-kind items at one of the over 40 locally owned specialty shops and boutiques. You'll find home decor, jewelry, gourmet food products, specialty wine, women's clothing and more.
